**June 5, 2019**

**Attention: Local Residents**

**Re: Clarification - Town of Quispamsis – Street Capital Upgrading for 2019 Construction Season**

Quispamsis Mayor and Council have identified the following municipal roads for Capital Upgrades during the 2019 construction season. This work will include road resurfacing of all or a portion of the streets identified along with replacement of road cross culverts in poor condition, adjustment to road shoulders as well as minor ditch reshaping to improve local drainage. Landscaping and driveways will be restored at the **end of the project**. Work is expected to commence in **June** and be completed at the end of August 2019.

While it is anticipated the duration of construction on each street will be limited, motorists are advised to expect traffic delays during the construction period. The Town will make every effort to maintain one lane open at all times or ensure flag persons will be on site to direct traffic through the construction area.

Please note, this listing may be modified through the construction season to accommodate emergency repairs or other unforeseen circumstances.

### **Phase 1**

- Quispamsis Road (from civic #186 to Cambridge Avenue)
- French Village Road (from Kallars Hill Road to bridge)
- Monarch Drive
- Ashfield Drive
- Lincoln Drive
- Chrysler Drive
- Banshee Court
- Emery Street
- Yukon Drive
- Carmacks Court
- Melanie Drive
- Saunders Drive

### **Phase 2**

- **Gondola Blvd Phase 3 – Marianne Drive to Saunders Drive (to be tendered in July, construction end date is late September)**
