

September 3rd, 2021

Notice of Construction
Roberts Lane - Sanitary Lift Station Upgrade
Roberts Lane to Selkirk Drive

The Town of Quispamsis wishes to advise local residents that construction activities are expected to be commencing the week of **September 7th, 2021**, on Roberts Lane and Selkirk Drive. This work will involve the installation of a new sanitary lift station, force main and sanitary sewer from Roberts Lane, through Vincent Road to Selkirk Drive.

The contractor will maintain access for all local residents. Traffic will be reduced to a single lane with alternating traffic on Vincent Road while work is occurring in the area. Drivers should expect delays for approximately two weeks beginning in mid-October.

Work in on-road areas is expected to be completed by the **end of October 2021**, with the project completion in **May 2022**.

The Town recognizes that the planned work will be an inconvenience, and your patience during these upgrades is greatly appreciated.

For further information about this project, please contact the Town of Quispamsis at (506) 849-5778 or contact the Consultant, Englobe Corp., at (506) 693-5893
